Optimize team effectiveness to handle
complex organizational challenges with ease

Unlock a NEW paradigm of leadership and
teamwork necessary to succeed in 2021 and beyond

Introducing The Global Team Coaching Institute (GTCI) Certification for Coaches, HR Professionals and Managers with Prof. Peter Hawkins and Prof. David Clutterbuck

The GTCI is a global educational center dedicated to Team Coaching and Team Leadership. Where the world's foremost experts come to teach, coaches and leaders come to become the best, and organizations come to find the best.

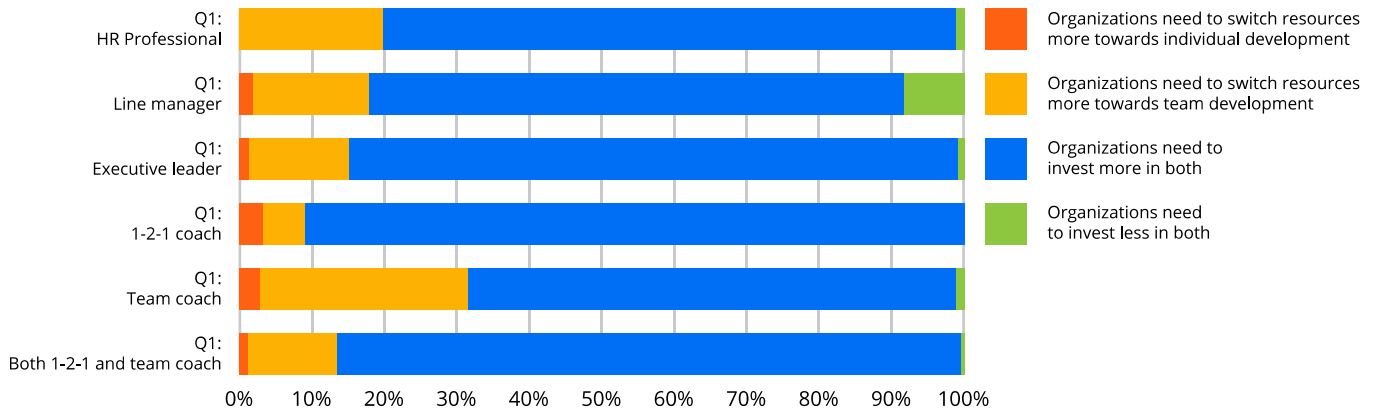

As the global destination for team coaching, the GTCI brings the world's brightest minds in team coaching together in one place. This pioneering online body is designed to help coaches learn from the world's foremost team coaching experts, hone their skills, and set an industry standard for quality and success worldwide.

Team Coaching Gateway is the first in a programme of 3 courses. It is a comprehensive program designed specifically to help coaches and corporate leaders embrace a teaming culture and optimize organizational development with team coaching.

Developed and led by **Prof. Peter Hawkins**, **Prof. David Clutterbuck** and our Global Faculty Leaders, this program will show your organization's coaches, managers and leaders how to embed team-based thinking into every level of the operation - from the individual to the ecosystem - ensuring you stay relevant during any major transition.

The days of the heroic CEO are over. Today's challenges need collaborative teams. This program will show you, with absolute clarity, how team coaching can fully optimize and mobilize teams within your organization.

GTCI conducted a survey of over 1,400 coaches & HR professionals:

All the research shows the tide is turning towards team based learning and team development. In the next ten years we will see a large shift in organisational investment from individual development to team and collective development.

Team Coaching Gateway enables your Coaches, Managers and Leaders to:

- **Optimize + Empower Teams** - Utilize team coaching to fully optimize and mobilize teams
- **Optimize Leadership + Development** - Understand how leaders can best operate within this new team-based model
- **Embrace Systemic Leadership** - Embed team-based thinking into every level of your organization - from the individual to the ecosystem
- **Create a Coaching Culture in Teams** - Learn best practices and tools for handling complex team cases in your organization
- **Stay Relevant** - Discover tools necessary to enable adaptation in your organization so it can meet the demands of a fast-changing world
