Training Modules

Supportive Tools

Optimize team effectiveness to handle complex organizational challenges with ease

Unlock a new paradigm of leadership
and teamwork necessary to succeed in
2021 and beyond.

Introducing The Global Team Coaching Institute (GTCI) Certification for Coaches, HR Professionals and Managers with with Professors Peter Hawkins and David Clutterbuck.

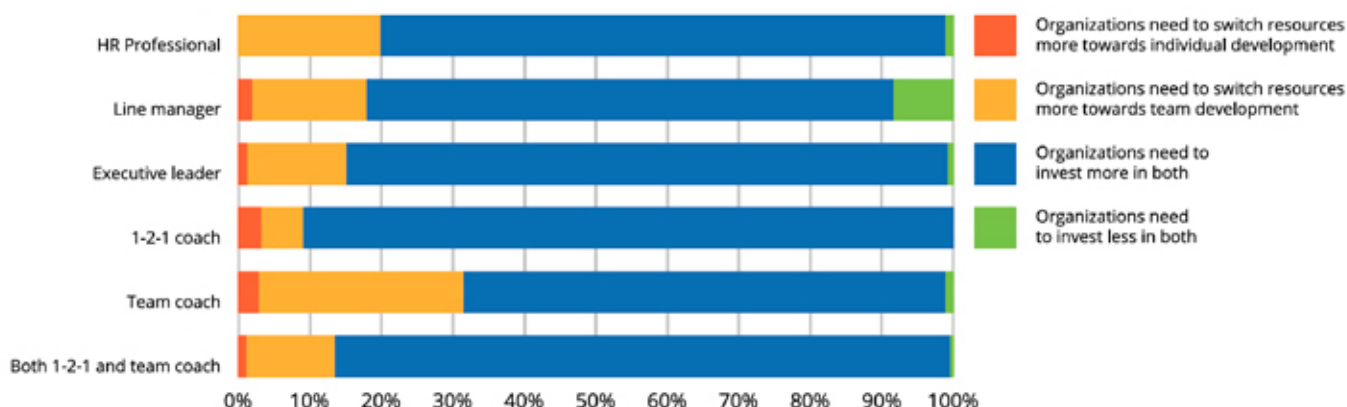

The GTCI is a global educational center dedicated to Team Coaching and Team Leadership, where the world's foremost experts come to teach, coaches and leaders come to become the best, and organizations come to find the best.

As the global destination for team coaching, the GTCI brings the world's brightest minds in team coaching together in one place. This pioneering online body is designed to help coaches learn from the world's foremost team coaching experts, hone their skills, and set an industry standard for quality and success worldwide.

The institute will show your organization's coaches, managers and leaders how to embed team-based thinking into every level of the operation - from the individual to the ecosystem.

The days of the heroic CEO are over. Today's challenges need collaborative teams. This program will show you how team coaching can fully optimize and mobilize teams within your organization.

GTCI conducted a survey of over 1,400 Corporate Leaders and Coaches, inquiring about where professional training investments should be focused:

All the research shows the tide is turning towards team based learning and team development. In the next ten years we will see a large shift in organisational investment from individual to team and collective development.

Ready to enroll your leaders or coaches in the institute?

There are 2 options to get started:

Option 1:

Team Coaching Gateway for Coaches, Leaders, Managers and HR Professionals:

Team Coaching Gateway is the first in a curriculum of 3 courses. It is a comprehensive program designed specifically to help coaches and corporate leaders embrace a teaming culture and optimize organizational development with team coaching. They'll earn a Foundational Team Coaching certification from our Global Team Coaching Institute, be eligible for ICF CCEUs, and be eligible for a Foundational Level Certification from the European Mentoring and Coaching Council (EMCC).

Team Coaching Gateway enables your Coaches, Managers and Leaders to:

- **Optimize + Empower Teams** - Utilize team coaching to fully optimize and mobilize teams
- **Optimize Leadership + Development** - Understand how leaders can best operate within this new team-based model
- **Embrace Systemic Leadership** - Embed team-based thinking into every level of your organization - from the individual to the ecosystem
- **Create a Coaching Culture in Teams** - Learn best practices and tools for handling complex team cases in your organization
- **Stay Relevant** - Discover tools necessary to enable adaptation in your organization so it can meet the demands of a fast-changing world

<p>15 + Enterprise</p> <p>*Contact our team</p>	

*For every 10 who enroll, you'll receive 1 complimentary seat in the course

Option 2:**Team Coaching Gateway + Practitioner Bundle for Internal and External Coaches**

In the Team Coaching Gateway, coaches will learn how to embrace a teaming culture and optimize organizational development with team coaching.

The Practitioner Course draws on 30+ years of team-specific research around the world, the experience of hundreds of team coaches, and comes with a substantial toolkit. Alongside trainings and templates given, coaches will develop their own approaches to scoping the assignment, interviewing team members and other stakeholders, observing team meetings and contracting. They will learn how to set up team coaching sessions to maximize the team's engagement and learning and measure the impact of team coaching engagements.

The Practitioner course supports the coach in making the transition from 1:1 to team coaching. At the end of this program coaches will have an **extensive toolkit of practical diagnostics and coaching interventions** for addressing the most commonly encountered situations and challenges you are likely to meet as a team coach. They'll earn a Practitioner Level Team Coaching Certification from our Global Team Coaching Institute, be eligible for ICF CCEUs, and be eligible for a Practitioner Level Certification from the European Mentoring and Coaching Council (EMCC)

Team Coaching Gateway + Practitioner Bundle enables your Internal and External Coaches to:

- **Accelerate** their transition from 1-2-1 to team coaching
- **Move with confidence** from coaching a team leader to coaching the leader and their team together
- **Engage in the fastest growing specialty** in the coaching industry
- **Increase the impact** a coach can have, not only helping all the team members, but also the team as a whole, and the value received by the wider organization and all its stakeholders
- **Develop senior teams** and address the conflicts that naturally arise in complex organisations
- **Transform their HR and Learning and Development functions** and create a teaming and coaching culture across the business they serve
- **Understand how to intervene skillfully** with teams in a constructive and coherent manner
- **Have a model of coaching** for the team but also the wider organizational system

Gateway + Practitioner Certification Bundle
